

# **HELP SAVE the HEADWATERS!**

**Here is how you can help:**

**Three thrust areas:**

- 1) Long-term debt reduction**
- 2) Annual expenses of property taxes and insurance**
- 3) Improvement and building maintenance projects**

**In terms of giving, think about employer matching programs to non-profits**

**Think about estate planning in which some funds can be set aside from the place after you're gone**
